IMPORTANT: PRODUCT CARE INSTRUCTIONS

CUSTOM UNIFORM CARE INSTRUCTIONS:

To enhance the appearance and extend the life of your uniforms, adidas recommends that you follow these cleaning and storing procedures:

- Do not dry clean
- Do not wash in hot water
- Do not use chlorine bleach
- Do not use fabric softener
- Do not wash whites and colors together
- Do not overload the washing machine
- Do not machine dry on high heat
- Do not leave wet or damp garments in your travel bag, in a pile with other clothing or in washing machine
- Before using uniforms for the very first time, it is recommended that they be washed in cold water and hung to dry or machine dried on the lowest setting
- Uniforms should always be laundered immediately after wearing.
 - However, if this is not possible, rinse garments and hang individually on rust-proof hangers
 - [Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.]
- Belts and any other contrasting color items should be washed separately from the garment
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent.
 - Follow the instructions recommended by the presoak manufacturer.
 - Wash garments immediately following the presoak in the normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent.
 - Remove promptly after wash cycle to avoid color migration.
- For optimum results, hang garments (especially those with Spandex) to dry.
 - If you cannot hang dry, machine dry on the lowest setting.
 - Turn jerseys inside out before machine drying.
 - Remove items from dryer immediately upon completion of cycle.
 - Excessive heat can cause fabric shrinkage discoloration, and cracking and peeling of vinyl pastisol lettering inks.
- Make sure uniforms are completely dry before storing.
 - Store in a dry area to prevent mildew
 - Protect them from sunlight and fluorescent light to prevent yellowing

PLEASE NOTE:

adidas will not be responsible for uniforms that are damaged due to improper care and maintenance.

Failure to follow our specified care instructions will void all guarantees.

IMPORTANT: PRODUCT CARE INSTRUCTIONS

TECHFIT UNIFORM CARE INSTRUCTIONS:

For pre-washing, here is what is recommended:

- It is recommended that a new set of uniforms be laundered before wearing; in lukewarm (100 F) water using a mild detergent.
- Please let us know how the uniforms that were stained do today.

Here is more info for continued care and washing. This below info is sent with every Ripon order:

- **UNIFORMS:** should be laundered immediately after they have been worn. Color transfer (bleeding) may occur when in perspiration soaked garments are left in a pile or folded one on top of another for any period of time. Garments that cannot be laundered at once should be hung individually on rust-proof hangers (plastic or wooden). All items are not a part of the garment; i.e.e belts, pads, etc., should be removed and laundered separately. As an extra precaution, wash one jersey/pant, inside out, if results are acceptable, proceed with the balance.
- **PRE SOAKING:** Garments made of Antron Nylon or Spandex that are unusually soiled or stained can be pre-soaked in lukewarm (100 F) water with a pre-soak agent for no longer than one hour. Cold or Hot water can cause color transfer. Garments should be laundered immediately after pre soaking! Pre-soak agents such as Tide, Cheer, or Wisk are not endorsed by adidas, but appear to work best.
- **WASHING:** Rinse washing machine before laundering garments. Most garments can be laundered and/or rinsed in lukewarm water (100 F). White and colored garments cannot be washed together, was separately by color. Use mild detergent (PH under 10) such as Tide, Cheer, adidas does not endorse these brands, but when used following these instruction, produce very good results.
- Water level in machine should be higher than garment level which will reduce mechanical action. Remove garments immediately after wash cycle is finished to avoid color transfer.
- Bleaching is NOT recommended. DO NOT USE CHLORINE BLEACH. As it will fade colors, weaken fabrics, and cause color transfer/bleeding. A light application of granular oxygen-base bleach is recommended on any white garment requiring bleach. DO NOT USE DE-STAINERS OR SOFTNERS as these added agents may DAMAGE the uniform.
- **DRYING:** Garments should be air dried on rust-proof hangers (plastic or wooden). If machine drying is necessary, dryer should be at lowest temperature or "air-only" setting. Uncontrolled heat will results in uncontrolled shrinkage or damage to lettering of garments. Remove garments from dryer at completion of drying cycle.
- DO NOT DRY CLEAN GARMENTS. Dry cleaning may discolor and ruin imprint names and numbers.
- DO NOT IRON OR PRESS GARMENT.
- Dry garments completely before storing. Storing garments in a cool, dry area protected from sunlight and flourescent light will prevent mildew or yellowing.

Chargebacks will not be accepted by SLD unless agreed to in writing between SLD and Customer. If SLD, in its sole discretion, at any time is unsatisfied with Customer's financial responsibility, or feels it needs further assurance that Customer will pay for outstanding orders, Company shall be entitled to require Customer to pay for its orders on a cash-in-advance basis. If Customer is in default under any agreement with SLD, or fails to comply with any written rule or policy of SLD, including these Terms and Conditions, SLD shall have the right, without prejudice to any other legal remedy, to cancel all outstanding orders. SLD shall have the right to set off and deduct any amounts due to SLD from Customer against and from any amounts owed or allegedly owed by SLD to Customer.

GENERAL RETURNS POLICY: All returns must be pre-approved by SLD's Returns Department. Requests for approval of returns must be received in writing by the Returns Department within thirty (30) days of the applicable invoice date. Customer accommodations and refused shipments may be subject to a fifteen percent (15%) restocking fee. Additional charges will be assessed for footwear that requires reboxing or apparel that requires rebagging or untagging prior to its return to SLD's stock. SLD also reserves the right to charge for removal of value added services (like labeling, ticketing, and special packaging) on returned product.

All returns must be accompanied by a Return Authorization Form, available from the Returns Department, and comply with all instructions provided by the Returns Department. The Return Authorization Number must be clearly marked on the outside of the shipping carton and/or on the face of the shipping documents. Any returns not bearing the Return Authorization Number or not accompanied by a Return Authorization Form will be shipped back to Customer at Customer's Expense.

All returns must be shipped prepaid at Customer's expense. In addition, Customer will be responsible for any handling charges incurred by SLD as a result of a return.

DEFECTIVE RETURNS POLICY: Whether product is defective will be determined in SLD's sole dis-

cretion. If SLD determines that product is defective, SLD will reimburse Customer for reasonable freight charges upon receipt of a freight bill.

LOSS/DAMAGE IN TRANSIT: SLD will not be responsible for goods lost or damaged in transit. Any damage or shortage in carton count must be noted on the carrier's delivery receipt and reported directly to the delivering carrier.

CONCEALED SHORTAGES/OVERAGES: In order to make a claim for any shortages/overages in unopened cartons, such claim must be reported to SLD's Credit Department in writing within thirty (30) days of the applicable invoice due date. All claims must be accompanied by an invoice, carton identification number and shipping order number and an itemization of all shortages/overages by product code, size, and quantity.

PACKING ERRORS: In order to make a claim for packing errors, such claim must be reported to SLD's Credit Department in writing within thirty (30) days of the applicable invoice due date. All claims must contain the carton identification number.

CUSTOMER'S COVENANTS: Customer agrees to (a) render prompt, effective and courteous service with respect to the sale of SLD's goods, including all services to which a retail customer of SLD's goods is entitled; (b) vigorously and aggressively encourage the retail sale of SLD's goods; (c) maintain the minimum sales volume established by SLD from time to time; (d) establish and maintain, independently and in conjunction with SLD, advertising and marketing policies and methods that emphasize the high-quality characteristics of SLD's goods; (e) provide clean, modern and adequate retail outlet(s) necessary for proper merchandising and selling of SLD goods; (f) attend presentations conducted by SLD sales representatives for the purpose of acquiring knowledge about the technical and other aspects of SLD products; and (g) notify SLD's Credit Department in writing prior to any change in Customer's legal organization, method of doing business or any other information stated in the credit application filed by Customer.

TRADEMARK & INTELLECTUAL PROPERTY RIGHTS: Customer acknowledges that SLD is a licensee of all intellectual property associated with SLD products, including all trademarks, copyrights, patents and trade secrets (the "Intellectual Property"). Customer obtains no rights to the Intellectual Property. Customer obtains no ownership or license rights to the trademarks, trade names, logos or designs ("Trademarks") or copyrights except as specifically stated in these Terms and Conditions. Customer may not use the Trademarks, or any marks similar to the Trademarks, in any way without SLD's express written consent.

RESTRICTIONS ON SALES/PURCHASES/ASSIGNMENT: Customer will not (a) sell, transfer or assign its right as an authorized SLD dealer without the express written consent of SLD; (b) sell or otherwise transfer or transship SLD goods to another retailer, distributor, or broker; or (c) purchase SLD products from any source other than SLD. Additionally, Customer may only resell SLD products (apparel, footwear and accessories) through the outlet location(s) specified in the Credit Application or subsequently approved in writing by SLD. Any other form of resale of SLD products other than as specified above shall be prohibited without the prior written approval of SLD. Such prohibitions shall include, but not limited to, the following: Customer may not resell SLD products (visible or encapsulated) through any electronic means (regardless of the medium and including the Internet), the mail, by catalog, or by phone. Such right, if granted, is limited to sales and deliveries within the United States. Further, Customer may not advertise SLD products through any electronic means unless such advertisement directs purchase and fulfillment of SLD products specifically at the location(s) approved in the Credit Application or subsequently approved in writing by SLD. Violations of the aforementioned conditions may result in the immediate termination of Customer's account and cancellation of existing orders. Further, if Customer opens or acquires additional retail outlet(s), Customer must notify and receive written approval from their sales representative before any additional or new outlet or franchise can be opened. SLD's approval of a new outlet or franchise does not guarantee SLD approval of any other outlet or franchise location. No Transshipment/Diversion of Merchandise and No Sale of Counterfeit Product To enhance informed selection and promote product image, SLD only sells to selected retail outlets on the express condition that such outlets may not: (1) resell to any person or entity who is not also the final user or consumer or (2) sell or purchase any counterfeit SLD product. Accordingly, the resale, transshipment or any form of diversion of SLD product to anyone other than the final consumer and the sale or purchase of any counterfeit SLD product are expressly prohibited. Any such activity may subject the violator to termination of its account and/or cancellation of orders, and shall constitute a breach of the contract of sale for which SLD may seek the appropriate legal remedies, including money damages or injunctive relief.

TERMINATION: The SLD may, at any time and in its sole discretion, immediately terminate or suspend its relationship with Customer. Termination includes, but is not limited to cancelling or refusing to ship any orders placed by Customer and terminating Customer's ability, if any, to purchase goods on credit or otherwise.

CLAIMS: All claims must be submitted to the SLD within thirty (30) days of the applicable invoice due date unless otherwise specified within this document or detailed on a separate binding agreement made by both parties. Any claims received after this date will not be considered.

LIMITED WARRANTY: SLD warrants that its products, at the time of shipment, are free from defects in workmanship and materials. THE WARRANTY DESCRIBED IN THIS SECTION SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. ALL GOODS PURCHASED PURSUANT UNDER THESE TERMS AND CONDITIONS ARE SOLD AS-IS. SLD HEREBY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND THOSE THAT MAY ARISE BY COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. Customer's remedies are exclusively limited to replacement of or credit for any defective product (at the sole option of SLD) but such replacement or credit shall be made only if the Customer complies with the terms and conditions set forth herein on general returns and defective returns.

LIMITATION ON DAMAGES; STATUTE OF LIMITATIONS: SLD WILL NOT BE LIABLE FOR ANY LOSS OF PROFIT, INTERRUPTION OF BUSINESS OR ANY OTHER SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES SUFFERED OR SUSTAINED BY CUSTOMER. Any action by Customer related to these Terms and Conditions, including for breach of contract, must be commenced within one year from the date of delivery of the goods.

SECURITY AGREEMENT: To secure payment and performance of all of Customer's current and future obligations to SLD, Customer grants to SLD a security interest in all inventory and equipment that Customer has purchased or will at any time in the future purchase from SLD and in all accounts, other forms of receivables, documents, instruments, returns and general intangibles that are related in any way to such inventory and equipment. A copy of Customer's credit application may be filed as a financing statement in which case Customer is the debtor and SLD is the secured party. If, in SLD's judgment, Customer loses the financial ability to pay and perform all of Customer's current and future obligations to SLD under these Terms and Conditions, then, upon demand by SLD, Customer will return all Collateral to SLD for disposition in accordance with the Uniform Commercial Code.

ENTIRE AGREEMENT: Customer's credit application along with these Terms and Conditions contain the entire understanding between the parties. Customer acknowledges that there are no terms, conditions, warranties or representations from or by SLD other than those contained in the credit application and these Terms and Conditions.

MODIFICATIONS: No supplement, modification or amendment of Customer's credit application or these Terms and Conditions will be binding unless executed in writing by an authorized representative of SLD. These Terms and Conditions are subject to change by SLD without prior notice.

CUSTOMER TERMS AND CONDITIONS: SLD rejects Customer terms and conditions, including those contained in purchase order confirmations, compliance guides, and routing and logistics guides, unless SLD specifically agrees to such terms in writing.

CUSTOMER ROUTING AND LOGISTIC REQUIREMENTS: SLD will not be bound to terms, directives or requirements set forth by Customer through routing and logistic guides unless SLD has agreed in writing to such terms, directives or requirements. In addition, Customer may incur charges for value added services, such as labeling, ticketing, and special packaging. Routing and logistics guides should be directed to the Compliance Department located at SLD's Customer Satisfaction office in Indianapolis, Indiana.

SEVERABILITY; WAIVER; CONSTRUCTION: Any portion of these Terms and Conditions that are found to be unenforceable will not invalidate the remainder of these Terms and Conditions. Any delay in enforcing or any failure to enforce any provision of these Terms and Conditions will not be deemed a waiver of any other or subsequent breach of these Terms and Conditions unless such waiver is in writing and signed by SLD. Caption headings are for convenience of reference only and will not affect the interpretation of these Terms and Conditions. Ambiguous terms will be construed without regard to authorship.

CONFIDENTIALITY: Except as required by law, Customer will not disclose SLD's Confidential Information to any third party, directly or indirectly, without SLD's prior, written consent. Confidential Information is described generally as any and all current and future product information, roadmap, technical or financial information and other business information including, but not limited to reports, plans, documents, drawings, machines, tools, models, patent disclosures, samples, and materials, and Request For Proposals that may be disclosed between the parties whether in written, oral, electronic, website-based, or other form, designated by SLD in writing as confidential. If Customer is required by any law or regulation, judicial or administrative process to disclose Confidential Information, Customer shall promptly notify SLD so that SLD has a reasonable opportunity to oppose such requirement or process. Customer shall promptly notify SLD of any actual or suspected misuse or unauthorized disclosure of the Confidential Information.

FORCE MAJEURE: If a delivery date is specified, that date will be extended to the extent that delivery is delayed by reason of fire, flood, war, riot, strike, natural disaster, or any other event beyond SLD's reasonable control and if, as a result of such a delay, the goods ordered are unavailable, SLD may substitute comparable goods. Additionally, in the event of a freight strike beyond SLD's control, SLD may ship goods via another carrier without being subject to any penalties.

ASSIGNMENT: SLD may assign this contract to a parent, subsidiary, or affiliated firm, or to another entity in connection with the merger, sale or transfer of all or substantially all of its business. Subject to these restrictions, the provisions of the contract shall be binding upon and inure to the benefit of the parties, their successors, and permitted assigns.

COSTS AND ATTORNEY FEES; CHOICE OF LAW, CONSENT TO JURISDICTION: For collection matters: (1) Customer will pay such costs, collection agency commission, expenses and reasonable attorney fees (including, without limitation, at trial and on appeal) as SLD may incur in any manner of collection of any sums past due; (2) Oregon law (without resort to its choice of law provisions) will govern; and (3) Customer consents to the nonexclusive jurisdiction of and venue in any state or federal court located in the state of Oregon or South Carolina.

FOR ALL NON-COLLECTION MATTERS: (1) THESE TERMS AND CONDITIONS SHALL BE GOVERNED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF OREGON AND (2) CUSTOMER CONSENTS TO THE EXCLUSIVE JURISDICTION AND VENUE IN ANY STATE OR FEDERAL COURT LOCATED IN THE STATE OF OREGON.
